Paul Pattarapon

924k

Paul Pattarapon also known as พอล ภัทรพล in Thai started his creator journey in 2018. With determination and perseverance, today his channel has reached 900k subscribers! Congrats! That's no easy feat considering his content is not exactly comedy & entertainment.

Paul is an all round entrepreneur. He is a best-selling author, investor, entrepreneur, financial educator, and angel investor. He loves to share self-development tips such as finance, investment, doing business, personal growth, development of all dimensions in his channel all the time. Possibly the closest we've got to GaryVee in Thailand!

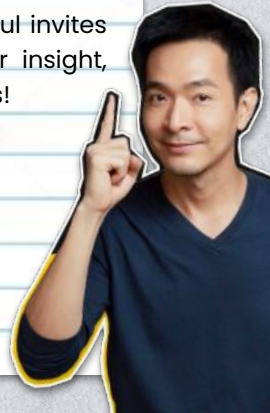

Paul and his team put in lots of effort to make their content precise and easily palatable. Impressive! You can find different series within his channel such as Money Matters, The Exclusive Talk, and Special Guest. Paul invites different entrepreneurs and experts to the show to share their insight, experience in the field of finance, investment, stocks, and start-ups!

If you're interested in these topics, do check out his channel!

Investor Network

150k

Investor Network is quite different from the other YouTube channels that we are sharing here. There is no face to the channel! With just a phone screen and an engaging conversation, Investor Network channel educates people how to use the apps to buy/sell/trade and invest online. No fluff, just knowledge. The channel covers information on Bitcoin, Dogecoin, Binance, and many more. If you want to know more do check them out!

C A M B K K

Don't be fooled by his appearance, in his video, he looks like he's just a kid but hey! Mark Zuckerberg founded Facebook at 19! C A M B K K is an expert in finance, crypto, and investments. His passion and enthusiasm is contagious. He takes finance (which is a super dry subject) and makes it interesting. We've worked with him and love his professionalism.
